Brandon and Suzie,

I am mindful there were two Education WG surveys – one last week and one due today. But this link from the August 2 email isn't working...

- Complete the [link](#) for the Education/Outreach workgroup by August 26. Please do not circulate the survey wider than this group.

So am I missing something? I thought the different was that the previous one Dylan was organizing had the econ/enviro benefits data but this one was more about us as organizations.

Thanks,  
Adina
